UNIVERSAL REAL ESTATE

The most important principle in the Arabic culture is to do the best to welcome a guest. On that basis we are happy to provide the care and the high standard services. UNIVERSAL REAL ESTATE was established in 2006 with a vision to be recognized as real estate that offer you a verity of luxury apartments or villas that are suitable for couples, families or groups such as university students or labors. Also we offer verity types and sizes of commercial shops.

OUR IDEAL AND PRINSIPALS

We believe in bouquet of principles pour out of our Islamic and Arabic heritage from one side, and from modern skills ,knowledge experience ,professional practices in the field of the real estate marketing, valuation , real estate study, property development and administration from other side. That could be summarized as follows:

- Strengthen the meaning of responsibility
- Performance Quality
- Accuracy and efficiency
- communication with the partners at work
- Achieve the goal of one team work
- improvement, innovative and modernization

we have an experienced and professional team who are able to provide the highest level of customer service. We are specialists in the field of leasehold properties providing a comprehensive and professional facility management service to Freeholders and Residents' Association Companies.

The background of the page is white, featuring several thick, parallel diagonal lines in a gold or mustard yellow color. These lines are arranged in two groups: one group of four lines in the upper half and another group of four lines in the lower half, both slanting downwards from left to right. The lines are of varying lengths and positions, creating a dynamic, architectural feel.
